Our 2 Litre Herbaceous Range

These are a very cost effective, instant impact range which are supplied in good, well rooted potfuls. Huge selection of varieties to choose from.

We grow traditional cottage garden favourites, but it's the numerous additions of unusual varieties that really set us apart from the rest.

These are staggered throughout the year, so you can keep your customers coming back each week for something exciting.

2 Litre Herbaceous - from £3.10 each

Stunning 9cm Herbaceous Plants

Our Plants are easy to care for and require minimal upkeep.

We pot with a high quality, consistent mix compost, with slow release Osmocote fertiliser. This continues to feed the plant for 12-18 months.

Recyclable Pots and Trays.

Our pots and trays are made from recycled materials and are fully recyclable too. The 7cm Alpine and 9cm Herbaceous are supplied in returnable tray. Please send them back with our drivers and we sterilise and re-use them.

24 Pots in a tray - 3 Trays to a shelf - 27 Trays on a trolley

Our 9cm Alpine range

We grow our plants outside hardy!

Our plants are over wintered hardy, in the cold and windy conditions we are exposed to here on the East Coast in Lincolnshire. This creates a strong, true to type plant. No need to worry about your unprotected plant area in early Spring.

Incredible range of 1 Litre Alpines

We have firmly established ourselves as the UK's most trusted Alpine supplier. We grow huge volumes of stock to cope with even the most demanding peaks.

As well as big numbers of firm favourites, we also specialise in growing lots of varieties in smaller batches to keep a varied and exciting range available throughout the year.

Reserve your key spring lines with us (Aubrieta, Saxifrage, Phlox etc.) before 30th September for a 5% discount!

Incredible range of 1 Litre Alpines

We conduct a full crop walk each week, giving every variety a growth grade. Every Thursday we produce a new availability list for delivery the following week.

We send out an email with pictures of a few stand out lines for you to consider. If you are not receiving the mail out. Please go to our web site to subscribe.

The easiest way to order is via our new web site. Which we are still improving and evolving. You will soon be able to see previous and outstanding invoices, order EPOS data, current product retails and make payments.
